Monmouth Clerk Honoured

On Thursday, January 11, 1933 Mr. Lloyd W. Watson of Tory Hall, Clerk-Treasurer of Monmouth Township, was honoured with a presentation and banquet held at Sir Sam's Inn, Eagle Lake.

Guests at the head table were Mr. and Mrs. Lloyd Watson; Mr. Glen Hodgson, M.P.P.; Mr. Roy Brohm, Warden of Haliburton County; Mr. and Mrs. R. H. Anderson Jr.; Mr. and Mrs. Gary Agnew; and Mr. and Mrs. Lloyd Cully. Other guests included the members of the 1937 and 1968 Councils, members of the School Board, the Librarian, the Chief of the Monmouth Volunteer Fire Department, the Road Superintendent, the Building Inspector, County Health Nurse and former Reeves.

Mr. Andersson capably acted as M.C. and called on Mr. Hodgson, Mr. Brohm, Mr. Gary Agnew, past Reeve of Monmouth Township, Mr. Murray Agnew, Chairman of the School Board, and Mr. James McCrea, a former Reeve. All paid glowing tribute to Mr. Watson and to his many years of service to the community. In his remarks, Mr. Gary Agnew noted that Mr. Watson had started in municipal politics eight months before Gary was born.

Mr. T. E. Deterling, a member of the Council, on behalf of the municipality made the presentation of a very fine reclining chair to Mr. and Mrs. Watson. The following is the presentation tribute: "This is an unique occasion in the history of our municipality to have a public servant

who has devoted 33 years of his life to the business of local government, eight as Councillor and 25 as Clerk. Few if any occupations surpass those of men and women engaged in municipal service, for the amount of time and devoted effort which they give to their work, frequently above and beyond the call of duty. Any attempt to evaluate in retrospect the competency of municipal officials should not overlook or underestimate the importance of those characteristics which make for good public relations. Knowledge, orderliness, efficiency, unfailing courtesy, consideration, patience and good will are equally among the most valuable assets. I am glad to have the privilege to extend our appreciation and thanks to Lloyd and to Mrs. Watson, whom we know has helped him in so many ways during his years of service to our municipality, especially when the municipal office was in their home. We want to pay tribute to his loyal, devoted service, and that includes "breaking in" new councillors as well as his patience and knowledge in dealing with our ratepayers and the public at large. As a token of our appreciation, we would like Lloyd and Mrs. Watson to accept this reclining chair on behalf of this municipality. May you both have many hours of comfort and enjoyment from it."

Following the presentation a very enjoyable film was shown by Mr. Charles Hughes, which brought a delightful evening to a close.

C.N.R. Official Writes M.P.

The following is a letter sent to William C. Scott, M.P., in November 1967 regarding railway service:

Belleville, Ontario,
November 30, 1937.

Mr. William C. Scott, M.P.,
Victoria - Haliburton,
House of Commons,
Ottawa, Ontario.

Dear Mr. Scott:

The contents of your letter of November 28 came as a surprise. It is difficult to understand who started the rumours contained in your letter.

As you know, smalls traffic is usually in large volume during the summer months when that territory enjoys considerable tourist business. This, coupled with the activity in carload traffic determines the frequency of our service. Normally, we have tri-weekly service in the summer and bi-weekly in the winter.

Rest assured that we intend to give the best possible service in relation to traffic volumes. In any event, it is not this company's policy to withdraw service from any route without first contacting all industry involved.

Yours sincerely,
H. J. Fast,
Manager, Rideau Area.

Ronald J. Curry Appointed Governor Of Area College

Ronald J. Curry of Haliburton has recently been appointed a member of the Board of Govern-

ors of Sir Sandford Fleming College of Applied Arts and Technology.

Connected for many years with elementary and secondary education, Mr. Curry was, for over a decade, a member of the Haliburton County District Secondary School Board, and served the community on the County Council Advisory Committee for several years.

Ronald Curry has also had a wide experience in municipal life, both at the township and county level, and along with his long business relationships in the community it will enable him to make a noteworthy contribution to the College board.

Ronald Curry, R. Glen Hodgson, M.P.P., and Haliburton Secondary School Principal Douglas Hodgson attended the official opening ceremonies in Peterborough recently.

Yours truly,
Wayne B. Wood, Clerk

High School Board Has Last Inauguration

On Wednesday night, January 10, the Haliburton County District High School Board had its Inauguration Meeting for 1968. Since the Prime Minister, John P. Robarts, of Ontario has announced that there will be one elected County Board of Education for both elementary and high schools in 1969, this will be the last year of operation for the present high school board.

Mr. F. Harold Herlihey of Wilberforce was elected Chairman, and Mr. C. H. Irwin of Stanhope was elected Vice-Chairman.

It is interesting to note that two members, Mr. C. H. Irwin of Stanhope and Mr. Victor Shaver of Lutterworth, have been members of the Board during its entire history. Mr. C. H. Irwin was the second chairman of the board and served for four years. Mr. V. Shaver was also second chairman for two years. Mr. Ronald J. Curry and Mr. F. Harold Herlihey have also been members almost from the beginning of the board.

Mrs. Janet Hunter of Glamorgan resigned from the board at the conclusion of the 1967 year. Mrs. Hunter had represented her township for many years with grace and sincerity. She was particularly interested in the progress and the welfare of the students of her township, and was constantly reviewing their marks and their contribution to school life generally. At their first meeting the board passed a resolution thanking Mrs. J. Hunter for the services she had rendered the board in those years. Mr. Ross Agnew of Gooderham has been appointed by Glamorgan Council for the 1968 year. Mr. Quimby Hess of Sherborne Township also resigned at the conclusion of the 1967 year, and Mr. Bruce Keown has become the new representative for this township.

The Board spent some time in discussion of the new proposal for schools and everyone acknowledged that this transitional year for school boards is going to be probably the most challenging one in the history of the High School Board. The members are most anxious to make arrangements so that when the new board takes over in January 1969 that there will be no serious disruption of school programmes and that the change be gradual and efficient. The Board also expressed its desire to co-operate with the other boards in the area during this year.

The Board consists of the following members for 1968: Mr. F. Harold Herlihey, Chairman, repre-

sentative of County Council; Mr. C. H. Irwin, Vice-Chairman, Stanhope; Mr. R. J. Curry, representative of Dysart Township School Area Board; Mr. M. W. Broughton, Monmouth; Mr. J. Bernard Trepanier, Anson, Hindon and Minden; Mr. K. T. Plourde, Dysart et al; Mr. Keith Hill, Snowdon; Mr. Ross Agnew, Glamorgan; Mr. Bruce Keown, Sherborne, Livingston and McClintock; Mr. Victor Shaver, Lutterworth.

Portrait Of Bishop Is Completed

Mr. and Mrs. Walter Noice of Minden have received word from their daughter, Yvonne (Mrs. Michael Guida) of Garden City, Long Island, New York, that the portrait of Rt. Rev. Jonathan G. Sherman, Episcopal Bishop of Long Island, which she was commissioned to paint, has been completed. It is to be the official portrait of the Bishop, and will hang in the Cathedral. They have received a coloured photograph of the painting.

One of Yvonne's paintings can be seen in the Northex of St. Paul's Church, Minden, a gift of the artist to the Church on its 100th Anniversary.

Welcome Curlers

Welcome to the Annual Skyline Bonspiel which starts this Friday at the Haliburton Curling Rink and continues until Sunday evening. This is our way in joining with the citizens of Haliburton and vicinity in issuing all of the visiting curlers a royal welcome to Haliburton.

Thirty-two rinks have entered this year's big event, and in speaking with Skyline Bonspiel Chairman Jack Robertson he informs us that some rinks are still on the waiting list.

Rinks will be present from Oshawa (5), Port Perry (2), Bancroft (4), Lindsay (2), Whitby, Mount Hope, Apsley, Peterborough, Toronto, Ottawa, Lakefield, Milton and Haliburton.

This three-day event is a wonderful thing for Haliburton, as 112 out of town curlers will be with us to spend the entire weekend.

Once again this year the prizes are outstanding.

Red Cross Annual Meeting

Mrs. Madeline Austin was re-elected to the office of President of the Haliburton Branch of the Red Cross Society at its Annual Meeting held last Monday. The meeting was held in the Board Room at the Nurses' Residence.

Also elected were Mrs. Phyllis Hodgson - First Vice President; Mrs. Lila Austin - Second Vice President; Mrs. Wendy Hicks - Treasurer; and Elizabeth M. Nicol - Secretary.

The following convenors were also elected: Social Convenor - Mrs. Agnes Pearsell; Dance Committee - Mrs. Dorelle Baker, Mrs. Aldyth Bishop, E. M. Nicol; Sewing Committee - Mrs. Lila Austin; Publicity - Mrs. Wendy Hicks, E. M. Nicol; Campaign - Mrs. Dorelle Baker, Mrs. Madeline Austin; Cottage Campaign Convenor - Mrs. Ruth Good; Water Safety - Mr. Merrill Bailey; Loan Cupboard - Mrs. Hilda Kellett; Disaster and Emergency Relief - Mrs. Marilyn Keno; Blood Donors - Elizabeth M. Nicol, Mrs. Dorelle Baker, Mrs. Aldyth Bishop. The standing committee elected were: Mr. David Bishop, Mrs. Dorothy Baker, Mrs. Bessie Burke, Mrs.

Marie Wallace, Mrs. Joyce Schellenberg, Mrs. Peggy Henderson, Mrs. Violet Smith, Mrs. Anna Jones, Mrs. Anita Smith, Mrs. Betty Exon, Mrs. Edna Congdon, Mrs. Margaret Robinson, Mr. Ken Langdon and Mr. John Beachli.

In the absence of the President, Mrs. Madeline Austin, Elizabeth M. Nicol chaired the meeting; Mrs. Ruth Good being elected to the chair for the election of officers.

Reports from the various committees indicated a very successful year. Highlights of the reports were a record-breaking financial campaign of some three thousand dollars, a thousand of which was spent on a most successful water safety programme, a Blood Donors Clinic which 240 donors attended, and the Annual Dance in February which netted well over two hundred dollars.

Following the election of officers the Secor Vice President, Mrs. Lila Austin, conducted the meeting to a conclusion. Mrs. Agnes Pearsell, Social Convenor, served tea and a friendly half hour was spent by the members present.

Dysart Council Object To C.N.R. Changes

The following is a letter from the Council of the Municipality of Dysart Et Al to Mr. William Scott, M.P. for Victoria - Haliburton Riding:

January 11, 1968.

Mr. William Scott, M.P.,
Parliament Buildings,
Ottawa, Ontario.

Dear Sir:

We have been advised by C.N.R., St. Lawrence Region, personnel that, quote: "effective April 1, 1968 the station agent of Haliburton and Fenelon Falls will be removed. These men will be replaced by Zenith phones to Peterborough which, I understand will be the main office for the area. It is also anticipated that a part time man will be at the stations on afternoons five days per week to receive and deliver freight and express."

This in our opinion is the first move on behalf of the C.N.R. towards the eventual withdrawal of all railway service to the area, and we strenuously object to any change in the existing service.

The County of Haliburton has just the past year or two started to come into its own in Tourism; we have one ski tow in operation and others in the planning stages. The Federal government has designated the area as one deserving of special assistance in the acquisition of industry. The Provincial government are actually supporting us in our search for industry. I personally have every confidence that this County will very soon emerge as the place to go in tourism, and I further believe we have a climate favourable to the location of

industry.

The Haliburton School of Fine Arts has been accepted as the extension department of the Sir Sandford Fleming School of Applied Arts and Science. This could well bring 10,000 people to the area in the next five years.

As a further indication of the confidence some people have in the area, the Bell Telephone recently acquired all the small independent telephone systems in the area, and plan on spending in excess of four million dollars by 1970 to update and upgrade their facilities.

We strongly object all or any abolition or curtailment of service on behalf of the C.N.R. most strenuously, and consider this a complete reversal to every other line of thinking, i.e.: The Bell Telephone, The Federal Government, The Provincial Government, and every other industry or group we are in contact with.

This area has been completely investigated by the Emergency Measures Organization, and has been designated as one that will be used for evacuation purposes. We are advised we could expect upwards to 20,000 people in the area in two hours in case of nuclear attack.

We would therefore ask the use of your good offices on our behalf in having C.N.R. reconsider what we feel is most certainly a move badly conceived, ill timed, and sadly lacking in faith in an area which over the years has been very productive insofar as C.N.R. is concerned.

Yours truly,
Wayne B. Wood, Clerk

STANHOPE COUNCIL

The inaugural meeting of the Township of Stanhope Council was held in the Council Chamber pursuant to statutes on Monday, the 8th day of January, 1968. All members were present.

The declaration of office was taken by the elected representatives by the Clerk, after each member voiced their opinion as to matters pertaining to the township for the coming year, and business continued in the usual manner.

Moved by Elsie Bursey, seconded by John W. Down, be it resolved the minutes of the last meeting be adopted as read. Carried.

Moved by John W. Down, seconded by Elsie Bursey, be it resolved that William Cowen be appointed on a committee with William Barry to consider road repair and building, making recommendations to Council concerning same. Carried.

Moved by Eric Cross, seconded by William Cowen, be it resolved that Mr. S. G. Watt, District Municipal Engineer, be invited to attend the February meeting of Council. Carried.

Moved by John W. Down, seconded by William Cowen, be it resolved that the position of By-Law Enforcement Officer be advertised and that written applications for the position be required, salary to be determined after audition by Council. Carried.

Moved by Eric Cross, seconded by William Cowen, be it resolved the Township roads designated and named as Big Hawk Lake, Shangri-La and Kushog roads, at the discretion of the Road Superintendent, be ploughed as a secondary measure. Carried.

Moved by Elsie Bursey, seconded by William Cowen, be it resolved that the Clerk be authorized to write our member, Glen Hodgson, regarding our disappointment in the progress being made in the construction of Highway No. 35. Carried.

Moved by Eric Cross, seconded by Elsie Bursey, be it resolved the Clerk be authorized to write Cooper and Pitts re expenses regarding exchange of property for North Shore Road in 1964 and 1965. Carried.

Moved by Elsie Bursey, seconded by Eric Cross, be it resolved that we petition the Department of Highways of Ontario for the subsidy on the expenditure under the Highway Improvement Act

for 1967, By-Law No. 67-3. Carried.

Moved by John W. Down, seconded by Elsie Bursey, be it resolved Eric Cross be a committee representative to the Aerodrome Committee. Carried.

Moved by Eric Cross, seconded by William Cowen, that the Department of Highways be requested to supply various items of Department equipment and personnel as required from time to time to assist in road operations of this municipality; these are to be supplied when available and only on the request of the Road Superintendent or Municipal Clerk, and all charges for rental, wages and expenses will be borne by the municipality. Carried.

Moved by John W. Down, seconded by William Cowen, be it resolved that the Head and Clerk be authorized to sign Deeds relating to closure of road on Mrs. Coady's property as per order in Council dated October 12, 1967. Carried.

Moved by Elsie Bursey, seconded by John W. Down, that the accounts amounting to \$148.76, December Relief \$250.00 and Road Voucher No. 12 - \$1,873.72 be allowed for payment. Carried.

The following By-Laws were read three times and passed: By-Law No. 68-1 appointing an Assistant to the Clerk; By-Law No. 68-2 to declare open a part of road allowance between Lots 15 and 16, Concession 3, Stanhope; By-Law No. 68-3 for the purpose of borrowing money until the rates are collected; By-Law No. 68-4 authorizing the Bell Telephone Co. to operate within the Township.

Moved by John W. Down, seconded by William Cowen, be it resolved that this meeting adjourn until February 5, 1968 at 10 o'clock a.m., unless called sooner by the Reeve. Carried.

Practical Christianity

Are you starving your soul?

You eat three square meals a day, try to get proper rest and exercise for the sake of your body; do you leave your soul undernourished, weak, anemic? Bodily health is important, but soul health is infinitely more so. "What shall it profit a man if he gain the whole world and lose his own soul?" Psalm 42 is the cry of the soul for the only One Who can satisfy it, God!

Modern man is so easily absorbed in the physical, so prone to be indifferent to the spiritual. He is apt to major in the temporal and ignore the eternal.

Here is one explanation for much of his exhaustion and boredom. Man battles to keep the body in shape, lets his soul go to pot, and wonders why he's petering out. He feels drained all the time, wakes up in the morning less rested than when he went to bed, and goes to work because he must, not because he wants to. Life loses its vitality and drive. It is pale, thin, un-

interesting, unchallenging. Living becomes drudgery, a duty instead of a privilege, aptly described by some as the predicament that precedes death.

So he goes on the pill and tonic routine, resorts to cocktails for pickup. But the help is only temporary, he begins to get satisfaction in inverse ratio to the amount of pills and tonic and cocktails he takes. Their power to pick up diminishes fast. Finally the cure becomes as dull and boring and monotonous as the disease. And the man is fed up!

His body is saturated with attention, but his soul is dried up with neglect. He has put everything on that which is destined to rot in a grave and abandoned that which is meant to live forever. What kind of a fool is man anyway? And to compound the problem, he justifies his neglect by letting himself be talked out of faith. He argues himself out of belief in Christ and eternity, but deep inside him, his soul cries out for recognition, lang-

ushes for attention, and longs for hope.

Man's basic problem is that he is out of fellowship with God, and man out of fellowship with God is man out of place! As the fish was made for water, man was made for God.

Could it be that you are starving your soul?

The Bible says in Matthew 4:4, "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God."

"Blessed is the man that hungers and thirsts after righteousness, for he shall be fully satisfied." Matthew 5:6 (R.S.V.).

Hahn Waste Plans Approved

The Ontario Water Resources Commission recently approved Phase I plans of Hahn Brass Ltd. for installation of \$30,000 chroming reduction and neutralization facilities to serve plating operations at its plant in the Town of New Hamburg.

Phase I facilities are to be installed by March, 1968. Phase II of the firm's pollution control program, involving solids removal, also will be completed in 1968.

The plant's effluent, which is discharged to the Nith River, then will meet O.W.R.C. objectives.

HAVE A GREAT '68

Whatever you want most in 1968, I hope you get. But don't count on it. There's nothing much you can be sure of except those old reliables, death and taxes. And with the government taxing us to death, the twain will soon be one.

When you're young, a year seems an age, and each new year is filled with promise and hope of new experience, new adventure. As you get older, the years begin flipping past like the pages in a book, and you realize the new is going to be pretty much like the old one.

There'll be wars and rumours of wars. There'll be one crisis after another. There'll be scandal in high places. There'll be race riots and protest marches. There'll be a lot of rotten TV fare. Canada will be licked in the world hockey playoffs.

And a lot of the other old inevitables will be there: higher taxes and lower morals; shorter skirts and longer faces; louder music and softer bellies; more people and less housing; great political promises and minuscule political action. And so on. Make your own list.

On the personal level, the picture is about the same. If you're a man, you're probably going to lose some hair and gain some girth, pick up another ache or two, grow a little more grouchy or pompous and wonder loudly what the hell the world is coming to.

If you're a woman, you're probably going to lose some shape and gain a chin, pick up a few more furrows in the face, grow a little more bossy, and nudge your husband another degree toward an early grave.

Whatever your sex, if you're over 30 you're going to find that a little more of your get-up-and-go has quietly got-up-and-went.

But don't worry about that. Gird up your loins, seize fortune by the forelock, spit in the face of fate, get some hormone shots and face another year with courage, dignity and bursitis in both shoulders, like me.

For, whether we like it or not, we happen to be living in one of the most exciting times in human history. Many of us often

wish we could be living in a simpler age, when black and white, right and wrong, were clearly established. Alas, we ain't.

But perhaps, when we feel a twinge of regret, we should also remember that in those "good old days" it was every man for himself. The rich were richer and the poor were starving. The strong grabbed from the weak. The white used the black as an animal. The mentally ill were swept under the carpet. And closets were crowded with skeletons.

Now, today's technological advances are frightening, but fascinating. Everyone's going to the moon. Personally, I don't want to be on the first scheduled flight, but the very idea is staggering in its reflection of man's eternal curiosity and ingenuity.

But even more exciting, in my opinion, is the social revolution that is sweeping our world. Modern man is examining himself as he never has before. He is literally picking himself up by the heels and shaking. As a result, long-held ideas are revealed as poppycock, rigid dogmas are shattering like shards.

It's as though an ancient, musty attic, piled with valuable antiques, had had its roof blown off, and a fresh, clean wind had blown away the must and dust and showed most of the relics for what they were — junk.

Today's society is, perhaps for the first time ever, concerned with being its brother's keeper. We are trying to do something about our weak and our poor and our old. Prejudice and intolerance are still with us, but they are attacked rather than accepted.

Divorce, abortion, homosexuality and mental illness have been dragged out of the shadows and into the light. Capital punishment is almost obsolete.

Mind you, it's painful. The whole process of growing up is always painful. But I don't want to live in ancient Greece or Elizabethan England or 2068 AD. I want to live in 1968 and see what happens. How about you?

Letters to the Editor

R.R. 1, Minden, Ont.
January 16, 1968.

Mr. B. Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Mr. Feir:

May I through the columns of your paper express the sincere thanks and appreciation of the Executive of the Haliburton County Tuberculosis & Health Association to all the good people of the County who contributed to the Christmas Seal Campaign. A "thank you" to you and your staff for the many informative news items you graciously published. Last but not least, thanks to the Wilberforce students, the Postmasters and all volunteers who helped in any way.

The TB Association has kept pace with the changing TB picture and in taking new responsibilities. Its Charter was changed a few years ago to include the whole field of Respiratory Diseases which are now the number one cause of death and disability.

With the continued support of the dedicated people throughout the County we'll continue to make a fine contribution to the health and happiness of all.

Sincerely yours,

M. P. Waddell, President,
Haliburton County
Tuberculosis & Health Assn.

P.S.: Contributions for Christmas Seals are still welcome at Haliburton County Tuberculosis & Health Association, Box 38, Haliburton, Ontario.

Contract Awarded For Port Stanley

An \$33,056 contract for extension of a water works system in the Village of Port Stanley has been awarded Haggerty Campbell Construction Ltd. of Ingersoll, the Ontario Water Resources Commission has confirmed.

The contract includes 3,900 linear feet of 10-inch-diameter water pipe, complete with valves, hydrants, branch connections, couplings and joints.

Port Stanley has an adequate municipal water supply, and is not connected with the OWRC's Lake Erie Water Supply System pipeline, which begins about two and one-half miles east of the village.

MARRIAGE

Mr. and Mrs. Fred Toye wish to announce the marriage of their daughter, Marilyn Harriett, to James Stewart Purves of Foxboro, Ontario. The marriage took place at Zion United Church, Carnarvon on January 6, 1968. Rev. R. McCaw officiated.

Card of Thanks

I would like to take this opportunity of thanking all my friends and relatives for the dozens of cards, letters, visits and gifts to me during my stay in Private Patients Pavilion, Toronto General Hospital. Special thanks to Doctors Stinson, Toovee and Short and my special nurses Bradshaw, Cummings, Davis and Ramsay for the wonderful care and kindness I received, also to Dr. Koval and the nursing staff at Minden Hospital before going to Toronto. Wishing one and all a very very happy New Year. Sincerely, Annie Cox, Minden.

I would like to say a very sincere thank you to Miss Barrer, Doctors, Nurses and staff of the Haliburton Red Cross Hospital, also to friends and neighbours, not forgetting my own family, who sent me flowers, potted plants, candy, cosmetics, cards and letters while I was a patient in Toronto General Hospital. Thank you all. Hilda Kellett.

I wish to convey my sincere thanks to the persons who were responsible for arranging the lovely evening given to my wife and myself at Sir Sam's Inn on the evening of January 11, 1968 in recognition of the services I rendered on behalf of the Township of Monmouth, since the year of 1935. The many kind words and acts directed to me throughout the evening really makes me feel that I have many good friends in the immediate area, and have been a satisfactory servant in some small degree to them.

Lloyd Watson, Clerk-Treas. of Monmouth.

More words are inadequate to express our sincere thanks to each and every one who helped us through our days of sorrow with many deeds of kindness, flowers, cards and words of sympathy in the loss of a loving husband and father. A special thanks to Rev. Thatcher, Floyd Miller, Gordon Kellett and John Welch and Son Funeral Chapel for their kind and efficient management of the services. Gladys Wruth and Family

IN MEMORIAM

JOHNSTON — In loving memory of our little son, Alvin Carl (Honey) Johnston, who died accidentally on January 16, 1964 at the age of 7 years and 7 months.

Time speeds on, four years have passed
Since death its gloomy shadow cast,
And took from us a shining light,
We miss that light and ever will,
His vacant place none can fill.
The joys we shared together
Are the memories I hold dear,
The love and happiness you gave me

Keeps you always near.
A never ending sorrow,
An ever aching heart,
One day we lost you Honey
Our world just fell apart.
God knows how much I miss you,
He counts the tears I shed;
And whispers "He's only sleeping,
Your loved one is not dead."
—Sadly missed by Mom and Dad.

JOHNSTON — In loving memory of our little brother, Alvin Carl (Honey), who died accidentally on January 16, 1964 at the age of 7 years and 7 months. Beside your grave we often stand With hearts both crushed and sore,
Silent till the sweet words come,
"Not lost, but gone before."
To know we couldn't say good-bye

Will always bring regret,
But hearts that loved you dearly
Are the ones that don't forget.
It's lonesome here without you
And sad in every way,
Our lives are not the same to us
Since you were called away.
Many a day, Honey, your name
is spoken,
Many an hour you are in our
thoughts;
You are gone from our home,
But never from our hearts.
Please Father in Heaven, hear
our prayer,
Guard our little brother with
loving care;
Be a good shepherd, don't leave
him alone,
Love him as we did when he was
at home.
—Sadly missed by Brothers
and Sisters.

MARSHALL — In loving memory of a dear Father, who passed away on January 21, 1964. He is gone but not forgotten.

And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Days of sadness will come o'er us,
Many think the wound is healed,
But they little know the sorrow
That lies in the heart concealed.
—Sadly missed and ever remembered by daughter Thelma, son-in-law James and grandchildren Arnold and Ivan.

CHURCH NEWS

UNIT 1 U.C.W.

The newly organized meeting of Unit 1 of Haliburton United Church Women was entertained at the home of Mrs. (Rev.) R. A. McCaw on the evening of January 7, 1968.

Mrs. Catherine Chambers, the Leader, opened by reciting a short poem composed by M. Louise Haskins and repeated by King George VI at his Christmas broadcast. This poem was made famous at this time: "And I said to the man who stood at the gate of the year; Give me a light that I may tread safely into the unknown; And he replied, 'Go into the darkness and put thine hand into the hand of God'; That shall be to thee, better than light and safer than a known way."

Mrs. Walter Webb led in the Worship Service. The New Year's hymn, "Standing at the Portal", was sung and Mrs. Wesley Baker read Psalm 121 for the Scripture Reading. Mrs. Webb gave a short Meditation on this Psalm, which is really a Pilgrim song.

Following the receiving and dedication of the offering Mrs. Webb read a poem entitled "If Jesus came to your house", and this portion of the meeting was closed with a special prayer for the New Year.

During the business period a schedule was arranged for the first half of the year for places of meetings and worship convocations for same, which is as follows: February - the home of Mrs. Wesley Baker with Mrs. R. A. McCaw doing the Worship; March - at the home of Mrs. Melville McKnight, with hostess doing Worship; April - at the home of Mrs. Jack Robertson, with hostess doing Worship; May - at the home of Mrs. Catherine Chambers, with hostess doing Worship; June - at the home of Mrs. Russell Johnston with Mrs. Wesley Baker leading in Worship there.

The officers for Unit 1 are: Leader - Mrs. Catherine Chambers; Asst. Leader - Mrs. Jack Robertson; Secretary - Mrs. Melville McKnight; Treasurer - Mrs. Richard Watt; Social - Mrs. Wesley Baker; Program - Mrs. Walter Webb; Telephone Committee - Mrs. Russell Johnston, Mrs. Walter Crarey, Mrs. Garnet Sedgwick.

The Study was most ably presented by Mrs. Jack Robertson, whose topic was Home Missions. Over two million dollars are spent in Canada during the year and some of the things on which this money is expended are: 70 Indian congregations are given assistance, and also immigrants as they enter the country at the ports; there are Coastal Missions at both the east and west coasts using boats and planes; eight medical hospitals are maintained, five in British Columbia and three in Alberta; student missionaries are helped in the mission fields; there are several construction projects underway, as the Sunday School is brought into far out places by means of air and mail and 1,200 lighthouses receive this as well as several logging camps; capital aid is given to small aid receiving charges; there are two lodges maintained for the help of alcoholics; the Victor Home for Unmarried Girls is greatly used; there are a couple of Senior Citizen Homes and the Fred Victor Mission in Toronto. All these and many more projects are maintained by this two million of the United Church of Canada, and this is done by the Unified Budget to which all our churches contribute.

Mrs. Chambers expressed her thanks to all who had helped in the meeting and to our gracious hostess, Mrs. McCaw, for her kind hospitality, and a social hour was enjoyed.

RUTH DRYDEN MISSION CIRCLE

On the evening of Tuesday, January 9, twelve members of the Ruth Dryden Mission Circle met in the Baptist Church for

their January meeting.

The singing of the hymn "God Will Take Care Of You" opened the meeting. President Eva Howe read the Scripture, Prov. 31, and led in prayer. The offering was taken with Eva giving thanks for the gifts and asking God's blessing on the givers.

The minutes of the November and December meetings were adopted as read by Ruby Roberts. Two persons were selected to receive Sunshine Cards this month.

During the business period discussion took place on our White Cross Parcel, the World's Day of Prayer which will be held this year on March 1 in the United Church, and the Reading Course Books. It was decided the books would be purchased as before, but our President informed us that several of the books could be obtained at the Library, which will give members a better opportunity to read them.

Two letters and a Christmas card to Eva Howe from Ruth Dryden were read by Ruby Roberts, as well as the 1967 Secretarial Report.

Four members, namely Eva Howe, Mabel Woodcock, May Ward and Pauline Miller, were appointed to the Sick and Visiting Committee.

Mission Highlights were presented by May Ward, followed by our prayer session.

A timely Devotional for the busy days in which we live, entitled "Be Still And Know", was given by Mabel Woodcock. The silence of the believing, trusting heart is indispensable in acquaintanceship with the Almighty. God spoke to His servant David, saying "Be still and know that I am God". In His day the Lord Jesus knew for Himself that solitude and silence were indispensable. Again and again we read that He went out early in the morning, before the light of day, to be alone in prayer, and on occasion He devoted a whole night to waiting upon God His Father. Let us not forget to pause each day for communion with our Heavenly Father, so that we may be an influence for good on those with whom we come in contact.

The meeting closed with the Mizpah Benediction. An hour of fellowship was enjoyed as Laura Bird and Pauline Miller, the hostesses, served delicious refreshments.

WILBERFORCE U.C.W.

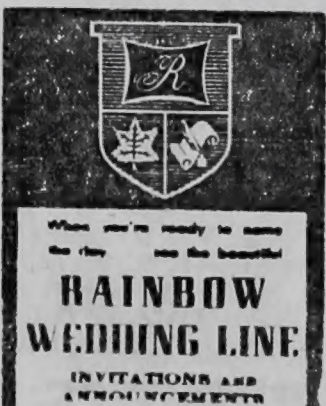

The Annual Meeting of the Wilberforce U.C.W. was held at the home of Mrs. Albert Saunders on Tuesday evening, January 9, with a fair attendance despite sub-zero temperatures.

A fine devotional period was conducted by Mrs. E. Smith, assisted by Mrs. F. Noble, which featured an inspirational reading from God And His Purpose.

The Treasurer's annual report showed a successful year for 1967. It was decided that the allocation for 1968 be increased. All officers were reinstated for the current year.

An interesting Nursery Quilt was displayed by Mrs. Outram. This lovely article should find a ready sale.

Delicious refreshments were served by the hostess and a most satisfactory meeting ended.

OBITUARY

EVLAN ALBERT WRUTH

The entire community was shocked and saddened when they learned of the sudden passing of Evlan Albert Wruth on Friday, December 29, from a heart attack.

He was born in Snowdon on March 5, 1914, and lived his entire life there with the exception of four years in the service, one spent overseas, and nine years in Lutterworth Township.

He was married in September 1958 to Gladys Hewitt (Kellett) who is left to mourn along with two step-sons, Gareth and Sherdon Kellett; a daughter-in-law, Catherine; two little granddaughters, Janine and Lori Ann; his father, James Wruth; a brother, Murray, and sisters Ruby and Gladys. His mother predeceased him in October, and a sister, Irene, in 1916.

The funeral was held from the Funeral Chapel on January 2, conducted by Rev. Thatcher, was largely attended, and the floral tributes were many which showed the high esteem in which he was held. He will long be remembered for his quiet manner and pleasant smile.

The pallbearers were four nephews, Bryce Gilbert, Craig Morrison, Derek Hewitt and Bryan Crarey, and two cousins, Floyd Miller and Bob Hughes.

Those attending his funeral from a distance were Mr. and Mrs. Wes Dawson of Peterborough; Mr. and Mrs. Karl Clark of Whitby; Mr. and Mrs. Keith Fountain, Mr. and Mrs. Ken Billingham, Mr. and Mrs. Glen Kellett, Mr. and Mrs. Fairrey, Mrs. Hyatt and Mrs. Bob Stevenson, all of Toronto; Mr. and Mrs. Craig Kellett of Port Hope; Mr. and Mrs. Sonny Kellett of Richmond Hill; Mr. and Mrs. Harold Paul, Mrs. Wallace Walker and Mr. Orvil Francis of Cameron; Mr. Oliver of Cannington; and from Ontario Hydro, Mr. Jack Ryder, Mr. Bob Stevens, Mr. Sid Rozon and Mr. Bob Young.

"Death is but a path that must be trod,
If we would ever pass to God."

MINDEN

Mrs. E. Noice has returned home after spending a few days in Toronto.

ABST Gerald Cox of H.M.C.S. Assiniboine, Halifax spent two week's leave at his home in the village, and on his return he leaves for a cruise to Bermuda.

Minden Branch Of Red Cross To Hold Annual Meeting

The Annual Meeting of the Minden Branch of the Red Cross will be held in the Anglican Church Parish Hall on Friday, January 19, 1968 at 8:00 p.m. Everyone is cordially invited to attend this meeting, and each year a keener interest has been shown by the attendance of those from Minden and the surrounding area.

Many topics of interest are discussed on the work performed by your local branch, and presentations will be made to the children who successfully completed their swimming classes.

The executive of your branch has also arranged to have a very important person address this meeting in the person of Mrs. A. Irene Pappin, Director, Volunteer Nursing Services, Ontario Division of the Canadian Red Cross Society.

Born in Renfrew, Ontario, Mrs. Pappin attended St. Joseph's Academy in Renfrew. She earned her Reg. N. certificate from St. Joseph's Hospital in Peterborough and her Public Health Nurse degree from Ottawa University. She is also in the process of completing requirements for her B.Sc. in Nursing.

Mrs. Pappin's professional experience includes 12 years of hospital nursing and six and a half years of public health nursing. She is also a member of the Registered Nurses Association of Ontario, the Canadian Nurses Association and the International Council of Nurses.

What would be more appreciative than to see a packed house to meet Mrs. Pappin, and let her take home a feeling that we are a community with the forward look and are very much interested in the preservation of our Red Cross Branch.

See you on Friday, January 19 at the Anglican Church Parish Hall in Minden.

Ontario Hydro planned to increase its generating capacity by more than one million kilowatts in 1967. However, less than half of this capacity was placed in service because of strikes and late deliveries of equipment. Even so, 1967 was still a busy year for Hydro. The Commission continued its program of air pollution control which began when the first coal-fired station was planned some 20 years ago. Dirty air in urban areas means insulators must be washed either with high pressure water spray or by hand to prevent power interruptions (upper left). New work methods developed to speed line construction and maintenance included the use of helicopters to place men on tower tops, a time-saving procedure which eliminates climbing and ground travel between towers. The 139,500 kilowatt Mountain Chute station on the Madawaska River was available for service, and work continued on extensions to the Barrett Chute (scroll-case shown upper right) and Stewartville plants downstream on the same river. Work began on other hydro-electric projects at Aubrey Falls north of Thessalon, and Lower Notch southeast of Cobalt. Pickering nuclear power station east of Toronto (centre right) took form despite the labour trouble, and a huge computer-controlled coal handling machine (lower right) arrived at Hydro's Lambton power station near Sarnia, which will produce power in 1968.

**Haliburton County
Tuberculosis And
Health Assn. Meet**

The regular monthly meeting of the Haliburton County Tuberculosis & Health Association was held on Monday, January 8, 1968 at 8 p.m. in the Haliburton United Christian Education Centre. Despite the frigid temperatures there was a good turnout of members.

The President, M. P. Waddell, was in the chair and opened the meeting by expressing the hope that the affairs of the Association would carry along well until the end of the fiscal year in March.

The minutes of the December meeting were read by the Secretary. On a motion from Mrs. D. B. Hartle, seconded by W. J. Rea Stinson, the minutes were adopted as read.

Correspondence and Christmas Greetings were then read.

Christmas Seal Chairman Mrs. M. P. Waddell reported that the Christmas Seal Campaign returns were very gratifying, and she thanked the various members who had given assistance to Mrs. Schotfield with the returns. Mrs. Waddell remarked that TB Place Mats had been used in the Hyland Crest over the holidays and that the Minden Librarian had expressed grateful thanks for Bookmarks received.

Case Finding: W. J. Rea Stinson reported that the Haliburton Clinic in December, with Mrs. B. Howe as volunteer, was quite well attended considering the time of year. Clinic attendance reports were read, and the next clinic will be held in the Minden Anglican Church on January 18, 1968 with Mrs. K. Banton as volunteer.

Social Service & Rehabilitation: Mrs. A. Saunders reported that our post san patient had expressed his thanks for the Christmas hamper sent. The Oxygen Gauge purchased by the Association, in the loan cupboard of the Minden Red Cross Outpost is to be turned over to the Red Cross Hospital with the stipulation that should a home patient require oxygen that this be made available.

Publicity: Mrs. G. V. McManus reported that articles have again appeared in the Haliburton County Echo and the Minden Progress.

Health Education: Mrs. B. Howe reported that Abstracts and IBB Posters would be sent out this week. She suggested we check with Mrs. G. Miller to see if she had a copy of "Family Living and Sex Education" before considering the purchase of same.

Other Business: The OTA Semi-Annual Meeting to be held on January 27, 1968 at the Royal York in Toronto is to be attended by Mrs. G. V. McManus, our OTA Representative; The Seal Campaign Clinic is to be attended by Mrs. K. Banton on January 26, 1968; The Annual Meeting date for the Association was tentatively set for May 6, 1968, with Dr. Floris King of the Canadian Tuberculosis Association to be approached as our guest speaker; Recordings of the OTA Regional Meeting were distributed for reading by members.

Moved by W. J. Rea Stinson, seconded by Mrs. M. P. Waddell that the outstanding accounts be paid.

It was regretted that due to the heavy business section Mr. M. P. Waddell was unable to show his Amsterdam slides, and we hope this will be remedied in the near future.

A motion to adjourn was made by W. J. Rea Stinson, seconded by Mrs. M. P. Waddell.

Curling Ready To Go At Minden

Thanks to Art, Doug, Ern, Gene, Hal, Jack, Perc and others, the ice is now in the Curling Arena — hacks and rings are placed and ready — Hoot Mon! Let's hope the weather co-operates.

At a meeting of the Executive on Wednesday, January 10, with 12 being present, a committee for raising a fund to install a new ice plant was named.

A recommendation for open curling on weekends (12 noon on Saturdays and again on Sundays) at a fee of \$1.00 per player per game was strongly supported. This will permit family participation or lodge and motel entertainment for weekends. Simply arrange for two teams and a starting time on Saturdays or Sundays when a bonspiel is not scheduled and you can have a good time together.

At a previous meeting of the Club members it was decided that some form of associate member should be encouraged.

The Executive approved the following dues for the 1968 season only: Member's Dues (Men) - \$30.00; Member's Dues (Ladies) - \$20.00; Associate Member's Dues - \$10.00.

Another way of supporting and encouraging the Minden Curling Club is to buy a book of tickets on the Ski-Doo Draw; better still, buy two books.

See you at the Curling Club soon.

Midgets Win 4-3 Over Fenelon Falls

The Haliburton Midgets won a close 6-5 decision over the Fenelon Falls Midgets in a regular scheduled O.M.H.A. league game played at Fenelon Falls on Monday night.

The Haliburton team, who are second in the league standings, had to go all out for the win.

Bob Woodcock led the locals with two goals, while single tallies went to Karl Consack, Arthur Dawson, John Parish and Lyle Cully.

Bernard Hobden played an outstanding game in goal for Haliburton, while Bob Woodcock played a great game up front.

The next game is this Friday night, January 19 at 8:30 at the Haliburton Arena when Sunderland will be the visitors. Sunderland won the last game by a close 4-3 score.

The coach, Mark Schell, and the manager, Brian Black, are looking forward to seeing a big crowd out for this Friday night's contest.

HALIBURTON

Mr. and Mrs. Errol Brown have returned home following a vacation in Florida.

Mr. and Mrs. Don Rennick of Toronto were visitors here over the weekend.

Mrs. Nellie Dean is spending a holiday with the Ramseys in North Bay.

Mr. and Mrs. Walter Hobden of Eganville were visitors to Haliburton on Saturday last.

We are sorry to report that Mr. Lloyd Moore is at present a patient in a Toronto hospital suffering from a back ailment. We wish Lloyd a speedy recovery.

Mr. Royce Bain, who is employed at General Motors in Oshawa, spent the weekend at his home here.

We are glad to report that Mr. Bill Jenkinson is up and around again following a heart attack.

Mr. and Mrs. Jack Mackay left on Monday for a three week vacation in Florida.

MAPLE LAKE

Mr. and Mrs. Calvin Sisson of West Guilford called on Mr. and Mrs. John Morrison last Thursday.

Mrs. Carrie Morrison accompanied Mr. and Mrs. George Jones of West Guilford to the Telephone Banquet held at Sir Sam's Inn in honour of the employees of the Dysart Municipal Telephone System.

Fishing is the spare time occupation these days; some folks are lucky in bringing home the bacon.

We haven't had too much snow in our district and the ice on the lakes is slushy, but we have been greeted with Arctic weather as 8, 40 and 30 below zero temperatures were noted last week at the foothills.

Coming Events

The Students of the Haliburton Highlands Secondary School invite the public to attend a concert by the famous Hart House Glee Club to be held in the School Auditorium on Friday February 23 at 8 p.m. Admission \$1.00 per person.

Card Party, sponsored by St. Paul's A.C.W., to be held in the Parish Hall in Minden on Friday, January 26 at 8 o'clock. Prizes will be given for Euchre, Cribbage and Bridge. Lunch served. Admission .50c.

Elected Warden

County Council met this week and Deputy Reeve Douglas Russell of the Township of Sherborne was elected Warden of the Provisional County of Haliburton for the year of 1968.

We understand that the new Warden is the first Deputy Reeve in the history of the County to attain this high honour.

Students Speak To Rotary Club

At the Thursday, January 11th meeting for the Haliburton Rotary Club, Miss Allison Brandon, daughter of Mr. and Mrs. Charles Brandon of Minden, spoke on her dishwasher "Irma". Miss Rosemary Elstone, daughter of Mr. and Mrs. H. Elstone of Soyer's Lake, spoke on "Euthanasia".

These students were the winners of the Junior and Senior Public Speaking Contest at the Haliburton Highlands Secondary School.

Miss Brandon will represent the school at the zone finals in March.

Award Contract

In speaking with R. Glen Hodgson, M.P.P., this week, readers will be interested to know that Keystone Contractors Limited of Windsor, Ontario has been awarded Contract No. 67-154 for grading, drainage, granular base and bridge structure on Highway No. 35 south of the Forestry Technical School, for a distance of 8.6 miles including the Ox Narrows Bridge.

The total amount bid for this contract was \$1,332,366.67.

The above project is within the Township of Stanhope section of Highway No. 35, and in particular that area from Hall's Lake to the Forest Technical School. It continues the rebuild of Highway No. 35 and joins the new section finished south of Dorset.

Other work on Highway No. 35 rebuild is the four mile brushing project from the boundary north in the Township of Lutterworth, near Moore's Falls. Clearing of this new right-of-way will allow progress toward construction in the future of a new bridge structure over the Gull River and rebuild of this section of highway.
